CORPORATE SOCIAL RESPONSIBILITY

Achievements 2019

At RIU Hotels & Resorts, we work
every day so that our hotels are
becoming
more responsible with the environment
and the community.

These are our commitments
and objectives

ENVIRONMENT

We are aware of our activity's direct impact on the environment and therefore attempt to minimize it through a number of different initiatives.

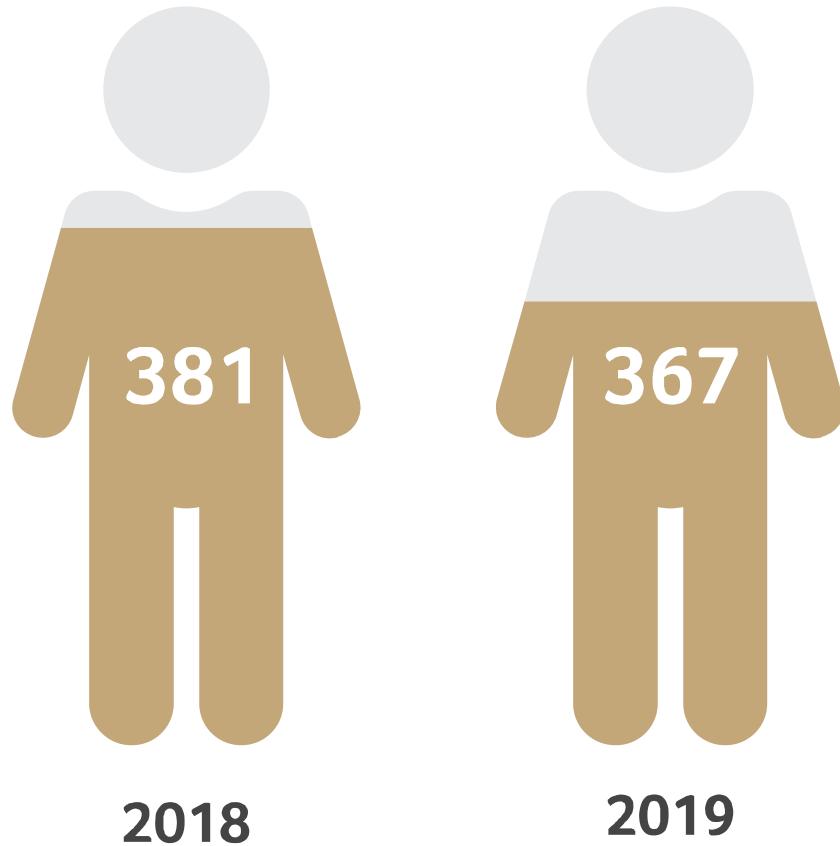

SAVING WATER

We believe in responsible water use and strive to minimize waste and maximize reuse.

WATER

Litres per guest night.

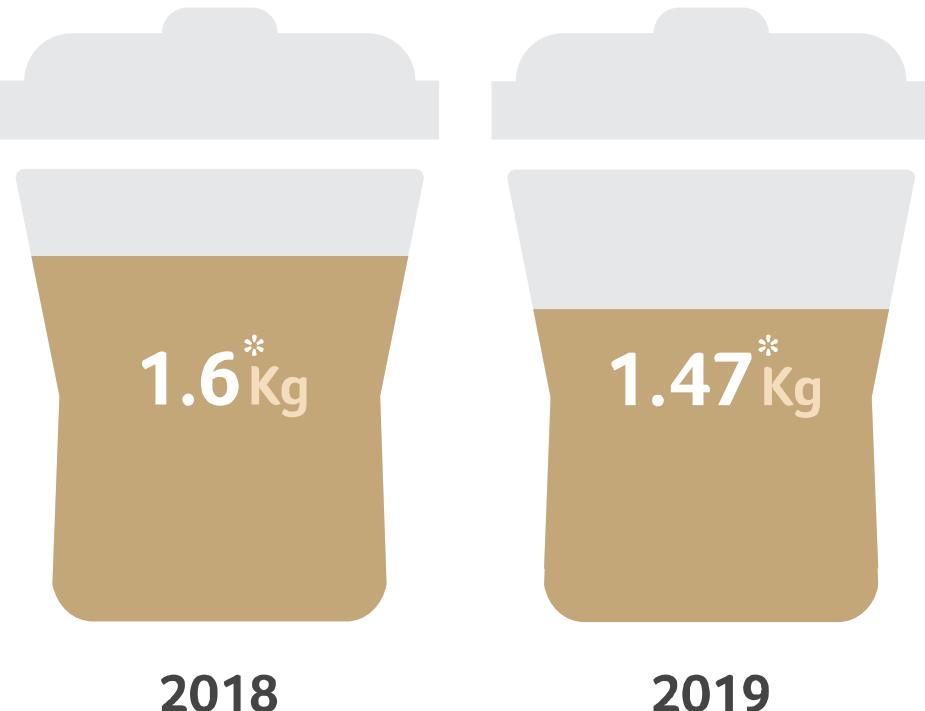

WASTE MANAGEMENT

We reduce the amount of waste our activity generates as far as possible and manage it responsibly, separating the waste in order to be recycled and treated.

WASTE

Kg per guest night.

* Estimated data.

ENERGY SAVING

We work with efficient equipment to reduce energy consumption of both electricity and fuels.

ENERGY

kWh per guest night.

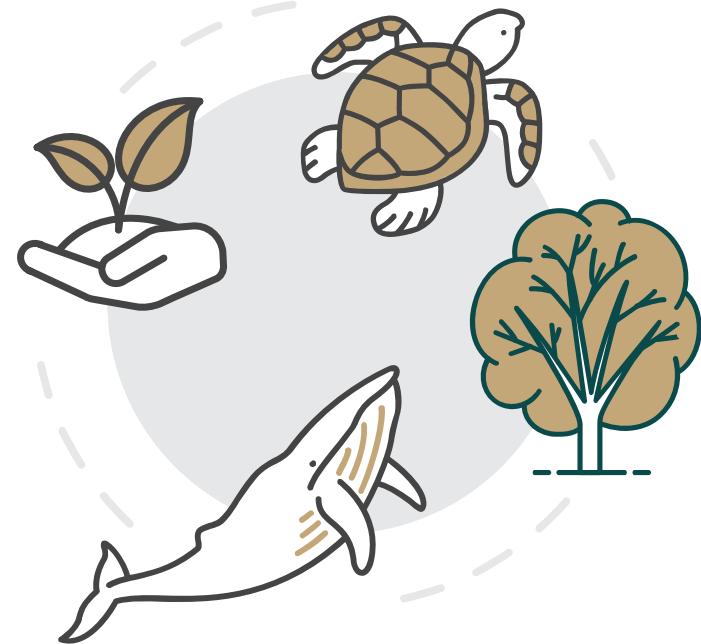

2018

2019

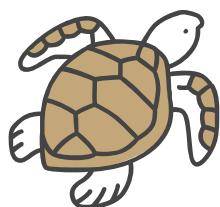

WILDLIFE PROTECTION

We participate in conservation programs of the natural environment through actions to protect endangered species or its habitat.
